Dear Onsy

I want to congratulate you on being named the UK's 738th Point of Light.

The Points of Light programme recognises outstanding volunteers who are making a real difference in their communities.

Through 'Wings of Healing', you are changing the lives of tens of thousands of women in Africa. You and your team are doing inspirational work in providing essential care to vulnerable women across the continent.

Volunteers like you from all over the UK are helping to make a better world for everyone. The Point of Light award is a small thank you on behalf of the whole country, in recognition of your exceptional service.

Best wishes

TZ-y
